**NOTICE OF PROJECT COMMENCEMENT**  
**Start of Remediation Work for Summerhill Woods**

Dear Resident,

A public meeting was held on August 29, 2012 at the Town Offices to provide residents with information on the remediation plan for the Summerhill Woods area. This presentation, along with all of the background is available on the Town's website at:

<http://www.newmarket.ca/en/townhall/summerhillwoodsdevelopmentarea.asp>

Soil remediation work on six impacted areas (see yellow patches on map on reverse) is scheduled to commence on or after October 9, 2012 and is expected to be completed by the end of November 2012.

Every effort is being made to minimize disturbances of mature trees and wildlife, and to keep disruptions, such as dust and noise, to a minimum.

The Town has retained the services of MMM Group and Gateman-Milloy to complete this work. For inquiries regarding the remediation work, after October 12, please contact site inspector from MMM Group John Kaczor at [kaczorj@mmm.ca](mailto:kaczorj@mmm.ca) or call 905-882-4211(office) or 647-222-6743(cell). Prior to October 12, please contact, John Montanaro of MMM Group at [montanaroj@mmm.ca](mailto:montanaroj@mmm.ca) or 509-277-1290 (cell).

Plantings will be native species and will include a mix of evergreen and deciduous trees. For more information on plantings and the remediation work please visit the website listed above, or contact the Town of Newmarket at 905-895-5193.

Yours truly,

Esther L. Armchuk-Ball, B.A. (Hons.), LL.B.
