

CHRISTKINDL MARKET

Downtown Kitchener's annual Christkindl Market transforms Kitchener City Hall, Carl Zehr Square, and surrounding blocks of King and Gaukel Streets into a festive European winter wonderland each December. Inspired by 700 year old German Christmas markets, it features over 80–90 vendors, both local artisans and long time favourites, offering handcrafted gifts, decorations, art, and seasonal foods. The atmosphere is alive with twinkling lights, a soaring Christmas tree on Gaukel Street, and cozy outdoor experiences like free skating, maple taffy on snow, fire performers, and a model train display inside City Hall. Music and entertainment take center stage—local choirs, singer songwriters, dance troupes, and holiday-themed concerts fill the schedule, bringing traditional and modern festive cheer to the crowd.
