Dear Honourable Sir:

Re: Enforcement for Safety on Family Farms

Please be advised that the Council of the Township of South Frontenac passed the following resolution at their meeting August 6, 2019:

That Council support the resolution passed by the Township of Warwick regarding the safety on family farms,

And that the Premier, Attorney General, Minister of Agriculture, Food and Rural Affairs, AMO, ROMA and all other municipalities be informed of this decision.
 Carried.

Our Council was strongly supportive of the Township of Warwick's position to find a better way to ensure stronger enforcement of existing laws or the creation of new legislation to ensure that the safety of Ontario's farm families, employees and animals. There have been a number of incidents recently where farmers and livestock transporters have been harassed and activists have had no regard for private property and leaving farmers feeling unprotected by the Ontario legal system. A copy of the Township of Warwick resolution is attached.

We look forward to receiving any updates on this matter.

Yours truly

Dear Honourable Sir:

Re: Resolution Regarding Enforcement for Safety on Family Farms

Please be advised that Warwick Township Council adopted the following resolution at their regular meeting on June 17, 2019:

WHEREAS agriculture is the second largest industry in Ontario, contributing \$13.7 billion annually to Ontario's GDP and is essential for putting food on the tables of millions of people here and around the world;

AND WHEREAS in recent months there has been a steady increase in harassment of farmers and livestock transporters by activists opposed to animal agriculture and the consumption of animals;

AND WHEREAS the protests have become blatantly illegal in nature with extremist groups trespassing onto private property, unlawfully entering into buildings and removing animals without fear of prosecution and even promoting and publishing their crimes on social media;

AND WHEREAS maintaining proper biosecurity is essential to ensure the health and well-being of the animals cared for on these agricultural operations;

AND WHEREAS the recent attacks on farmers homes and businesses have resulted in no criminal charges laid, leaving farmers feeling unprotected by the Ontario legal system and afraid for the welfare of themselves, their families, their employees and the animals they care for;

NOW THEREFORE BE IT RESOLVED THAT the Council for the Corporation of the Township of Warwick requests that Hon. Doug Downey work with his fellow MPP's and agricultural leaders to find a better way forward to ensure stronger enforcement of existing laws - or new legislation - to ensure the safety of Ontario's farm families, employees and animals;

AND BE IT FURTHER RESOLVED THAT this motion be circulated to Hon. Doug Downey, Ministry of the Attorney General, Hon. Doug Ford, Premier of Ontario, Hon. Sylvia Jones, Solicitor General and Hon. Ernie Hardeman, Minister of Agriculture, Food and Rural Affairs and all Municipalities in the Province of Ontario, AMO, and ROMA.

- Carried.

SUPPORT RESOLUTION – OPPOSITION OF BILL 115

RESOLUTION #2019-11-173

MOVED BY: Rod MacDonald

SECONDED BY: Katherine Bourrier

RESOLVED: that Council agrees to support the resolution of the Township of Armour regarding opposition to Bill 115.

WHEREAS the Province of Ontario is considering approving Bill 115, which would allow beer and wine sale in corner stores;

AND WHEREAS corner stores will not verify age and be as safe as the present system in place;

AND WHEREAS alcohol retail outlet density has a negative effect on public health and public health costs;

AND WHEREAS there is no clear evidence that Ontarians are asking for beer and wine at every corner;

NOW THEREFORE BE IT RESOLVED that the Council of the Township of Armour opposes Bill 115 and calls upon the Government of Ontario not to enact this legislation.

FURTHERMORE, that a copy of this resolution be sent to the Honourable Doug Ford, Premier of Ontario, the Honourable Steve Clark, Minister of Municipal Affairs and Housing, the Honourable Christine Elliott, Deputy Premier of Ontario, the Honourable Norm Miller, MPP Parry Sound – Muskoka and Andrea Horwath, MPP, Leader of the New Democratic Party.

Subject: York Region 2021 Water and Wastewater Master Plan Update – Notice of Commencement

Hello,

Following up from the April 11th meeting between Town of Newmarket staff and York Region's Water and Wastewater Master Plan Update project team, the purpose of this email is to advise you that the project has officially begun. Please find enclosed an advance copy of the Notice of Study Commencement for your information. The notice will be published in local newspapers across York Region on August 15th and 22nd.

Working closely with the nine local municipalities, conservation authorities and key partners, the Water and Wastewater Master Plan (WWMP) Update will identify a water and wastewater servicing strategy to meet current and future needs to 2041 and beyond, including improvement and growth of our infrastructure system.

Updates to the WWMP are undertaken every 5 years to stay current with the changing needs of the future and accommodate growth in the Region's evolving communities. The previous Master Plan update was completed and endorsed by Council in 2016.

Master Planning Process

The Water and Wastewater Master Plan will be conducted in accordance with the Municipal Class Environmental Assessment (MCEA) Process, which provides a consistent, streamlined and transparent process to plan and implement municipal infrastructure projects. It also ensures public and stakeholder participation.

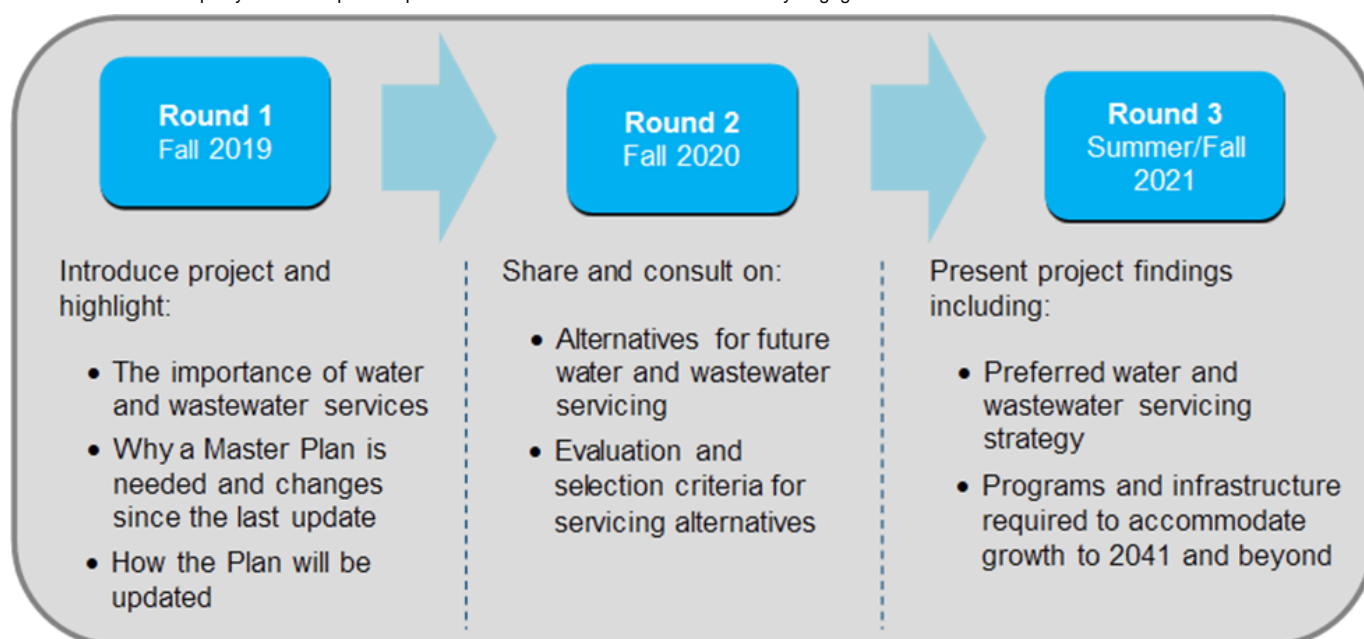

By completing Phases 1 and 2 of the MCEA process, York Region can expedite the implementation of selected servicing solutions identified in the WWMP, fulfill the requirements for select Schedule B projects, and become the basis for future Schedule C projects.

Key Engagement Milestones With Local Municipalities and Residents

Engagements with local municipal staff will follow key technical analyses. EA phase reports will be circulated for review and discussion. The following timeline outlines key project milestones, deliverables and planned engagements with local municipal staff. Note that workshops are intended to bring all local municipal staff together to collectively review and discuss information, whereas one-on-one engagements are planned to discuss information specific to each local municipality's context.

Timeline	2019		2020				2021			
	Q3	Q4	Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4
Key milestone/deliverables	>Notice of Commencement >Email kick-off	Open House #1	EA Phase 1 Report			Open House #2		Open House #3	EA Phase 2 Report	>MP Report >Council Endorsement
Local Municipalities		Open House boards and materials for information	> EA Phase 1 Report for review >Workshop #1 (assumptions and servicing alternatives)	1:1s (review of design criteria and infrastructure alternatives)	Open House boards and materials for information	Workshop #2 (Non-infrastructure and One Water)	1:1s (technical review of recommended infrastructure solutions)	Open House boards and materials for information	EA Phase 2 Report for review	

Additionally, three rounds of public open houses are planned to engage local residents and communities. Each public open house will be advertised in local newspapers, through York Region's social media channels as well as on York Region's website – www.york.ca/waterplan. An advance copy of each notice of public open house and display materials will be provided for your information. At least one open house will be held in each municipality. The anticipated topics and timeline for each round of community engagement are as follows:

The first round of public open houses are scheduled as follows:

Municipality	Location	Date	Time
Town of Aurora	Aurora Seniors Centre	October 26, 2019	2:30pm – 6:30pm
Town of East Gwillimbury	East Gwillimbury Sports Complex	November 5, 2019	4pm – 8pm
City of Markham	Thornhill Community Centre	November 9, 2019	11am – 3pm

Participation and coordination between the Region, the nine local municipalities and key stakeholders is critical to the success of the project. Regional staff will work closely with local municipal staff to ensure each municipality is represented throughout the Plan.

To receive further information about the Master Plan, or if you have any questions please do not hesitate to contact me.

NOTICE OF STUDY COMMENCEMENT

RELEASE DATE: AUGUST 15, 2019
Municipal Class Environmental Assessment Study

Managing our water for the next generation

The Regional Municipality of York is updating its Water and Wastewater Master Plan to ensure drinking water and wastewater services meet community needs now and into the future. The Master Plan Update will help the Region support healthy communities by identifying long-term strategies, initiatives and infrastructure to meet water and wastewater servicing needs to 2041 and beyond.

The process

Through the Master Plan Update the Region will identify and evaluate options for future water and wastewater programs and infrastructure projects.

The study will:

- Follow the Municipal Class Environmental Assessment master planning process
- Fulfill the requirements for select Schedule B projects
- Become the basis for select future Schedule C projects

Get involved

Stakeholder and public engagement, and consultation are key parts of this process. Public engagement opportunities will be promoted in local newspapers, on the Region's social media channels and york.ca/waterplan

Share your feedback for a chance to win a \$100 gift card!

As a first step, we want to better understand what you think about your water and wastewater services and where you see opportunities for improvement.

Re: Resolution Regarding Enforcement for Safety on Family Farms

Please be advised the Council of the Municipality of Chatham-Kent at its regular meeting held on August 12, 2019 endorsed the following resolution from the Township of Warwick:

WHEREAS agriculture is the second largest industry in Ontario, contributing \$13.7 billion annually to Ontario's GDP and is essential for putting food on the tables of millions of people here and around the world;

AND WHEREAS in recent months there has been a steady increase in harassment of farmers and livestock transporters by activists opposed to animal agriculture and the consumption of animals;

AND WHEREAS the protests have become blatantly illegal in nature with extremist groups trespassing onto private property, unlawfully entering into buildings and removing animals without fear of prosecution and even promoting and publishing their crimes on social media;

AND WHEREAS maintaining proper biosecurity is essential to ensure the health and well-being of the animals cared for on these agricultural operations;

AND WHEREAS the recent attacks on farmers homes and businesses have resulted in no criminal charges laid, leaving farmers feeling unprotected by the Ontario legal system and afraid for the welfare of themselves, their families, their employees and the animals they care for;

NOW THEREFORE BE IT RESOLVED THAT the Council for the Corporation of the Municipality of Chatham-Kent requests that Hon. Doug Downey work with his fellow MPP's and agricultural leaders to find a better way forward to ensure stronger enforcement of existing laws - or new legislation - to ensure the safety of Ontario's farm families, employees and animals.

Subject: Assessing the Impact of Bill 108 on Municipal Parks and Recreation

Healthy People | Vibrant Communities | Sustainable Environments

Important information about the Impact of Bill 108 on municipal parks and recreation

To: Head of Council
From: Parks and Recreation Ontario

As you are aware, the Provincial Government, through the *More Homes, More Choice Act, 2019 (Bill 108)*, has introduced significant changes to how Ontario's municipalities will plan and fund parks and recreation facilities in their communities. On June 6, 2019, Bill 108, the *More Homes, More Choice Act*, received royal assent. The Province describes this legislation as a plan to increase the amount of housing in Ontario by boosting supply. After careful review, Parks and Recreation Ontario (PRO), through consultation with its membership and key stakeholders, determined this Act could have a significant negative impact on how municipalities deliver parks and recreation facilities in their communities.

From our consultation, we have developed four key recommendations that we will be submitting to the Province as they review and prepare for implementation of the Act. These are:

1. The community benefits approach must meet the funding needs of all municipalities today and into the future;
2. Develop a Community Benefits Charge (CBC) cap and formula that is responsive to community-specific and growth-related needs;
3. Provide clarity on transition for in-progress planning applications; and
4. Ensure sufficient time and capacity for municipalities to transition to new CBC authority.

The issues and recommendations are described in further detail in our [submission](#).

We are sharing recommendations with you as a resource to consider in your discussions with the Provincial Government, your local council, staff and key stakeholders. We are also aware that many of you may be meeting with provincial representatives at the upcoming annual AMO Conference and wanted to ensure that this information was available for these potential meetings. We ask that you please share this information with staff who may be preparing submissions on behalf of your municipality.

We appreciate your attention to this matter and your support to advance PRO's mission to provide every person equitable access to vibrant communities, sustainable environments, and personal health.

About PRO

PRO is a provincial association that works to advance the health, social and environmental benefits of quality recreation. We represent over 6,500 members in municipalities across the province. Our members provide vital services and facilities to more than 85% of Ontarians. In all of PRO's submissions, we use evidence-based practices, resources and collaborative partnerships to ensure sound recommendations that reflect the unique voices of the variety of municipalities across Ontario.

Since 2014, Health Canada has recognized September 4 as National Polycystic Kidney Disease (PKD) Awareness Day – a special day devoted to raising awareness of this life-threatening, genetic disease.

Polycystic kidney disease (PKD) is a chronic, genetic disease causing uncontrolled growth of fluid-filled cysts in the kidneys, often leading to kidney failure. With 66,000 Canadians and millions worldwide living with PKD today, chances are high that you know someone with the disease.

The more who know about PKD, the more resources we can dedicate to finding treatments and a cure. PKD Awareness Day is our opportunity to step up our efforts and gives us a platform to widely spread the word, share stories and encourage others to learn more. On PKD Awareness Day, let's come together as a united front to spread the word about this disease further than we ever have before!

Since its creation in 1993, the PKD Foundation of Canada has raised more than \$1 million towards research, support and help for families living with polycystic kidney disease (PKD). From the first research grant awarded in 1999, the PKD Foundation of Canada has set up chapters and support groups across the country, built an expansive and passionate volunteer network, and connected with PKD groups around the world to support our most notable fundraising event – the Walk to END PKD.

Today, the PKD Foundation of Canada is the only national organization solely dedicated to fighting PKD through research, education, advocacy, support and awareness.

NATIONAL POLYCYSTIC KIDNEY DISEASE AWARENESS DAY

September 4, 2019

WHEREAS, Polycystic kidney disease (PKD) causes abnormal cysts to develop and grow in the kidneys and the enlargement of cysts causes kidney function to decline. It equally affects men, women and children – regardless of geography or ethnic origin; and

WHEREAS, the PKD Foundation of Canada is the only national charitable organization dedicated to fighting PKD, a progressive, life-threatening genetic disease, through programs of research, advocacy, education, support and awareness in order to discover vital treatments and a cure for PKD and improve the lives of all it affects; and

WHEREAS, in September, walks will take place in several locations to honour friends, family and supporters impacted by PKD to help raise funds for research and improve the quality of life for those afflicted with PKD, including many (Town/City) residents; and

THEREFORE, I, (Name of Mayor), Mayor of the Town / City of (Town/City Name), do hereby proclaim **September 4, 2019 National Polycystic Kidney Disease Awareness Day** in (Town/City Name).

Terry Fox Foundation: 416-924-8252

Mr. Mayor and Council:

The Newmarket Chapter of the Terry Fox Run is requesting that the week of September 9th to September 15th be declared Terry Fox Week, so that we may honour and promote the annual Terry Fox Run/walk held this year at the Ray Twinney Complex on Sunday, September 15th, 2019.

Terry's legacy has become a Canadian institution. The strength and determination behind his iconic Marathon of Hope united us as a nation, and inspired us as individuals, to do more, to give more.

All of the Terry Fox runs across this great nation are volunteer-led and organized, with no sponsorships. There is no promotional budget. We rely on the good nature and citizenship of so many individuals and committees. The Newmarket chapter has worked diligently over the years to keep Terry's Marathon of Hope alive. The Newmarket Town Council has consistently been a great enabler of that.

Mr. Mayor, please allow our town to match the magnitude of Terry's Marathon of Hope by extending the celebration of Terry's extraordinary journey from one day to seven.

In addition, Mr. Mayor, it would be an incredible gesture to fly the Terry Fox flag in order to display our pride in our very own Canadian hero.

Thank you in advance for your most precious time and attention.

Terry said "The answer is to try and help others."

To whom it may concern,

On behalf of the Coaches Association of Ontario, we would like to thank you for reviewing our Town of Newmarket lighting and proclamation request.

September 21st – 29th, 2019 marks the 5th annual National Coaches Week in Canada and 14th Coaches Week in Ontario, where Canadians join together to celebrate the tremendous positive impact coaches have on athletes and communities. The campaign last year alone reached over 26 million impressions utilizing the #ThanksCoach on social media and this year we are looking to continue to build further awareness and engagement with your support.

The start of National Coaches Week begins here in Ontario with the Ontario Coaching Excellence Awards on Saturday September 21st. This is a program that celebrates and recognizes the dedication and commitment of exemplary coaches, nominated by their athletes and communities, who inspire, innovate and share knowledge of sport with others.

Throughout the remainder of the week, communities all across Ontario will be showing their support for coaches through community events, and lightings including the CN Tower, Mississauga Clock Tower, Toronto Sign, Welland Bridge and more.

Where would the likes of Newmarket athletic stars, Brian Elliott (NHL), Pete Orr (MLB) or Gabrielle Daleman (Figure Skating) be without high quality Newmarket coaches to guide and lead them on their paths to excellence? The lighting of the Riverwalk Commons and Fred A. Lundy Bridge in conjunction with the Town of Newmarket proclamation on September 28th, 2019 will showcase the Town of Newmarket's continued support for coaches and sport not only in Newmarket, but across Ontario and Canada.

The requested colour for Saturday, September 28th, 2019 is:
Red – 206, 28, 36 (RGB)

Red is the singular and identifiable logo colour of National Coaches Week and part of the Coaches Association of Ontario, who is the voice for coaches of all sports and levels in Ontario.

The Coaches Association of Ontario is an independent, non-profit, coach-led organization, founded in 2002, that strengthens development opportunities and provides resources, representation and recognition for coaches in all sports of all levels. We believe coaches' contributions should be financed and rewarded appropriately, and the Coaches Association of Ontario advocates that sports and the coaching profession continue in a culture of innovation, continual renewal and professional development.

I look forward to working with you on this years' National Coaches Week.
