Subject: Consultation on the proposed boundaries for the regional consolidation of Ontario's conservation authorities

CAUTION: This email originated outside of the Town of Newmarket. **DO NOT** click links or open attachments unless you recognize the sender and trusted content.

** This message is being sent on behalf of Chloe Stuart, Assistant Deputy Minister, Land and Water Division, MECP and Hassaan Basit, Chief Conservation Executive, MECP **

Greetings,

We are writing to notify you of a policy proposal available for comment on the [Environmental Registry of Ontario](#) at posting #025-1257 which is part of the government's actions to improve conservation authorities.

We are seeking feedback on proposed boundaries for the consolidation Ontario's 36 conservation authorities into regional conservation authorities, and the criteria applied to inform the proposed boundaries. The policy proposal notice includes maps depicting the proposed boundaries for the regional conservation authorities and discussion questions relevant to the planning for the future state.

The province's decision on the number and configuration of regional conservation authorities will be finalized following further technical analysis and consideration of the feedback received during this consultation phase. The province is also planning to consult further, at a future date, on potential amendments to the *Conservation Authorities Act* and regulations under the Act, to enable the consolidation of conservation authorities.

No changes are proposed to the overall extent of conservation authority jurisdiction within the province, and under consolidation, the new regional conservation authorities

would remain independent organizations operating with municipal governance and oversight, in accordance with requirements under the *Conservation Authorities Act*, as administered by the Ministry of the Environment, Conservation and Parks.

In addition, the important work that conservation authorities do to protect people and property from the risks of flooding and other natural hazards will not change. Regional conservation authorities would continue to deliver provincially mandated programs. These include drinking water source protection under the *Clean Water Act*, managing development and other activities in areas at risk of natural hazards—such as floodplains, shorelines, watercourses, and wetlands—and providing flood forecasting and warning services. Conservation authorities would continue to manage their lands and recreational trails, providing Ontarians access to local natural areas and outdoor activities. Regional conservation authorities would also continue to be able to provide additional municipal and other watershed programs and services set out under the *Conservation Authorities Act*. Existing conservation authority board members would continue to serve until the expiration of their terms next year, with changes to governance and structure to be initiated following municipal elections in October 2026.

This proposal is part of broader action that Ontario is proposing to take to improve the conservation authority system to reduce duplicative costs, free-up resources, and better align the work of conservation authorities with provincial priorities on housing, infrastructure, the economy and climate resilience. These actions include the creation of the Ontario Provincial Conservation Agency to provide centralized leadership and oversight of conservation authorities, proposed by the Government on November 6, 2025, in [Bill 68, Plan to Protect Ontario Act \(Budget Measures\), 2025](#).

To learn more about this proposal, a virtual information session for municipalities will be held on **Tuesday, November 18, 2025, at 2pm**. To register for this session, please email ca.office@ontario.ca.

The Environmental Registry comment period for posting #025-1257 will close at 11:59pm on December 22, 2025. Comments may be submitted through the Registry or by email to the conservation authorities section team at the Ministry of the Environment, Conservation and Parks, via ca.office@ontario.ca.

Thank you,

Chloe Stuart
ADM, Land and Water Division
Ministry of the Environment, Conservation and Parks

Hassaan Basit
Chief Conservation Executive
Office of the Chief Conservation Executive

Taking pride in strengthening Ontario, its places and its people

The Corporation of the Municipality of Wawa

REGULAR COUNCIL MEETING

RESOLUTION

Tuesday, November 4, 2025

Resolution # RC25180	Meeting Order: 8
Moved by: 	Seconded by: 

WHEREAS democracy is healthy when everyone is able to participate fully and safely and contribute to the well-being of their community;

AND WHEREAS we are witnessing the dissolution of democratic discourse and respectful debate across all levels of government and in neighbouring jurisdictions;

AND WHEREAS Ontario's municipally elected officials are dealing with increasingly hostile, unsafe work environments facing threats and harassment;

AND WHEREAS social media platforms have exacerbated disrespectful dialogue, negative commentary, and toxic engagement which disincentivizes individuals, especially women and candidates from diverse backgrounds from running for office;

AND WHEREAS better decisions are made when democracy is respectful and constructive and the voices of diverse genders, identities, ethnicities, races, sexual orientation, ages and abilities are heard and represented around municipal council tables;

AND WHEREAS the Association of Municipalities of Ontario's Healthy Democracy Project has identified concerning trends with fewer people voting in local elections and running for municipal office;

AND WHEREAS in 2024, female elected representatives from across Halton formed a group called H.E.R. (Halton Elected Representatives) which pledged to speak out against harassment and negativity in politics and call on elected officials to uphold the highest standards of conduct;

AND WHEREAS H.E.R. Halton has launched a campaign called Elect Respect to promote the importance of healthy democracy and safe, inclusive, respectful work environments for all elected officials that encourages individuals to participate in the political process;

The Corporation of the Municipality of Wawa

REGULAR COUNCIL MEETING

RESOLUTION

AND WHEREAS on June 5, 2025, the Canadian Association of Feminist Parliamentarians launched a non-partisan "Parliamentary Civility Pledge" to encourage all parliamentarians to commit to end workplace harassment and increase civility on Parliament Hill, modelled after the pledge developed in Halton by representatives of H.E.R.;

NOW THEREFORE BE IT RESOLVED:

THAT Council of the Corporation of the Municipality of Wawa supports the Elect Respect pledge and commits to:

- Treat others with respect in all spaces—public, private, and online,
- Reject and call out harassment, abuse, and personal attacks,
- Focus debate on ideas and policies, not personal attacks,
- Help build a supportive culture where people of all backgrounds feel safe to run for and hold office,
- Call on relevant authorities to ensure the protection of elected officials who face abuse or threats, and
- Model integrity and respect by holding one another to the highest standards of conduct.

AND THAT Council of the Corporation of the Municipality of Wawa calls on elected officials, organizations and community members to support the Elect Respect campaign and sign the online pledge at www.electrespect.ca.

AND THAT a copy of this resolution be sent to the Association of Municipalities of Ontario, Premier Doug Ford, relevant MPs and MPPs, FONOM and NOMA, Superior East Mayor's Group and posted on the municipal website.

Re: Extended Producer Responsibility for Blue Box Recycling Collection and Impacts to Small Businesses located in Mixed-Use Properties

Please be advised that the Council of the Township of Otonabee-South Monaghan at its meeting on November 3, 2025, passed the following resolution:

R329-2025

Moved by Deputy-Mayor Bonnie Clark
Seconded by Councillor Terry Holmes

That Council hereby supports Resolution #191-25 from the Town of Whitby regarding extended producer responsibility for blue box recycling collection and impacts to small businesses located in mixed-use properties; and

That a copy of this resolution be forwarded to the Minister of Environment, Conservation and Parks, all Ontario Municipalities, Ontario Big City Mayors (OBCM), the Association of Municipalities of Ontario (AMO), the Ontario Business Improvement Area Association (OBIAA), the Eastern Ontario Wardens Caucus (EOWC), and the County of Peterborough for support.

The Honorable Todd McCarthy, MPP (Durham)
Minister of the Environment, Conservation and Parks
Via email: minister.mecp@ontario.ca

Re: Extended Producer Responsibility for Blue Box Recycling Collection and Impacts to
Small Businesses located in Mixed-Use Properties

Dear Minister McCarthy,

Please be advised that at its meeting held on October 6, 2025, the Council of the Town of
Whitby adopted the following as Resolution # 191-25:

Whereas in 2016 the Waste-Free Ontario Act was enacted, which also enacted the
Resource Recovery and Circular Economy Act (RRCEA) and the Waste Diversion
Transition Act; and,

Whereas the RRCEA and its associated regulations focus on strengthening Extended
Producer Responsibility for materials like used tires and blue box recycling; and,

Whereas on November 23, 2020, Town Staff submitted comments to the Environmental
Registry of Ontario on the proposed blue box regulation, which highlighted concerns
about the lack of a requirement for blue box recycling collection for certain “non-eligible”
sources like small businesses located in mixed-use properties which are prevalent in
Business Improvement Areas; and,

Whereas in the Town of Whitby there are approximately 200 small businesses in mixed-
use properties who currently receive blue box collection and are impacted by the blue
box regulation and will potentially lose blue box collection services; and,

Whereas in June 2021 the Province of Ontario released Blue Box Regulation O. Reg.
391/21, under the RRCEA which transitions the financial and operational responsibility of
recycling from municipalities to the producers of packaging and paper products; and,

Whereas Circular Materials Ontario (CM) was named the Producer Responsibility
Organization taking on all blue box recycling responsibilities in Ontario over a three-year
transition period; and,

Whereas the Region of Durham has indicated that the estimated costs to continue to
provide blue box recycling for small businesses after the 2026 transition date to CM was
exorbitant and no longer a core responsibility of the Region pursuant to Provincial
legislation; and,

Whereas on July 1, 2024, the Town of Whitby and all local area municipalities in Durham Region transitioned from the Regional blue box program to the CM blue box program; and,

Whereas the Region of Durham and CM negotiated a temporary agreement to continue providing blue box collection services to small businesses in mixed-use properties during the blue box transition period from June 30, 2024 to December 31, 2025, however, CM will not service these small businesses or any non-residential properties effective January 1, 2026, as they are not included as “eligible sources” under Blue Box Regulation 391/21; and,

Whereas on October 17, 2024, Mayor Roy sent a letter to the Honourable Andrea Khanjin, who was at that time the Minister of Environment, Conservation and Parks, advocating for changes to the blue box regulation as it related to blue box collection for small businesses; and,

Whereas on June 4, 2025, the Ministry of Environment, Conservation and Parks proposed amendments to the RRCEA through the Environmental Registry of Ontario and staff comments were submitted jointly to the Municipal Waste Association and Regional Public Works Commissioners of Ontario on June 13, 2025 highlighting concerns with the blue box regulation and impacts to small businesses located in mixed-use properties; and,

Whereas on August 15, 2025, CM hosted a municipal engagement session with members of a Municipal Working Group, reviewing a proposal for blue box recycling for non-eligible sources; and,

Whereas it is not clear how the recycling collector will differentiate commercial recycling from residential recycling at mixed-residential locations as they are typically set out together; and,

Whereas the proposal submitted by CM must be agreed to by all three Producer Organizations before it will be considered by the Ministry of Environment, Conservation and Parks; and,

Whereas on October 1, 2025, all three Producer Organizations, which includes CM, Ryse Solutions, and Landbell Canada, provided a letter to Mayor Roy outlining their decision to not proceed with blue box collections for small IC&I locations, citing, “system capacity limitations, current regulatory obligations, and time constraints that make it impractical for CCS to provide (blue box) collections from IC&I locations”; and,

Whereas on October 1, 2025, the Honourable Todd McCarthy, Minister of the Environment, Conservation, and Parks provided a letter to the Town of Whitby advising that the Producers will not voluntarily continue to offer blue box services to municipalities for small business locations.

Now therefore, be it resolved:

1. That the Council of the Town of Whitby requests that the Ministry of Environment, Conservation and Parks amend Blue Box Regulation 391/21 to require Producers to provide blue box collection services to businesses located in mixed-use properties;

and,

2. That the Mayor be requested to author a letter to the Minister of Environment, Conservation and Parks advocating for changes to Blue Box Regulation 391/21, and that a copy of this letter be forwarded to all Ontario Municipalities, Ontario Big City Mayors (OBCM), the Association of Municipalities of Ontario (AMO), and the Ontario Business Improvement Area Association (OBIAA).

Should you require further information, please do not hesitate to contact mayor@whitby.ca.

 Toronto, ON M7A 1A1
premier@ontario.ca

Dear Premier Ford:

Re: Automated Speed Enforcement (ASE) Cameras

At the Regular Council meeting on October 21st, 2025, the Council of the Township of South-West Oxford directed staff to write a letter in opposition to the Provincial decision on Automated Speed Enforcement (ASE) Cameras.

In December 2019, the Province of Ontario established regulations allowing municipalities to use ASE cameras to address speeding and enhance public safety. Following provincial encouragement, municipalities adopted ASE technology to reduce speeding, prevent collisions, and save lives.

Research at local, regional, and international levels supports the effectiveness of ASE programs, indicating a significant reduction in speeding, improved compliance in school and community safety zones, and positive changes in driver behavior. The suggestion that the Provincial government views the ASE program as a "cash grab" is entirely unfounded, as revenue generated through ASE arises solely from individuals who choose to disregard posted speed limits. If drivers comply with speed regulations and adjust their behaviour accordingly, there would be no generated revenue from ASE cameras.

Municipal councils are directly responsible for the health and safety of their communities and are therefore best positioned to determine the areas of greatest concern regarding local driving conditions. Each municipality understands the unique traffic patterns, school zones, and community safety issues within its jurisdiction. Furthermore, policing and traffic enforcement are municipal responsibilities, and as such, municipalities should have the autonomy to determine whether and how to deploy ASE technology in the most effective and efficient manner to protect residents and road users.

Following significant municipal investment across Ontario, the recent decision, made without consultation, to cancel Automated Speed Enforcement (ASE) programs has

TOWNSHIP OF SOUTH-WEST OXFORD

Fax: (519) 485-2932

raised serious concerns. Rather than an outright ban, adjustments to existing legislation and program standards would provide a more balanced and collaborative approach. Therefore, the Council of the Township of South-West Oxford respectfully requests that this decision to ban ASE cameras be reconsidered, and that municipalities be permitted to continue using ASE cameras in school zones and urban areas where local councils deem them warranted. At a time when police services are facing significant resource constraints that limit their capacity to enforce speed limits, ASE cameras remain a necessary tool to address community safety concerns.

Thank you for your consideration.

Yours truly,

REGULAR COUNCIL MEETING

RESOLUTION

Tuesday, November 4, 2025

Resolution # RC25177	Meeting Order: 5
Moved by: <i>M. Hatfield</i>	Seconded by: <i>A. Wopato</i>

WHEREAS this council understands that the need for affordable rental housing not only applies to new builds but also to the protection of existing affordable units; and

WHEREAS the removal of rent control in 2018 on any new residential rental unit opened the door to excessive year over year rent increases and the resulting anxiety and mental anguish that come with unpredictable rental costs and loss of housing security; and

WHEREAS the loss of rent control has caused a high number of people across Ontario to be forced out of their homes due to their inability to afford their rent increases; and

WHEREAS without protection from excessive and malicious rent increases, many Wawa renters will also be at risk of being priced out of their own homes; and

WHEREAS unlimited rent increases can be used as a tool by landlords acting in bad faith to remove existing tenants in order to replace them with new tenants at increased rates; and

WHEREAS providing housing stability, maintaining affordable housing stock, and protecting renters from unfair rent increases is of utmost importance to this council.

WHEREAS This council recognizes that landlords are essential to a flourishing and affordable housing system; and

WHEREAS maintaining Northern Ontario as a location that is attractive to landlords is of utmost importance.

Page 2.....

The Corporation of the Municipality of Wawa

REGULAR COUNCIL MEETING

RESOLUTION

NOW THEREFORE BE IT RESOLVED that Council of the Corporation of the Municipality of Wawa request the Province of Ontario provide adequate protection against excessive and malicious rent increases for all rental units occupied for residential purposes while maintaining the ability for landlords to operate a viable and sustainable business, and that the Clerk for the Municipality of Wawa send a letter to Honourable Doug Ford Premier of Ontario, MPP Bill Rosenberg, MP Terry Sheehan, and other municipalities throughout Ontario for their endorsement consideration.

 The United Counties of Leeds and Grenville
 All Upper- and Lower-Tier Municipalities in Ontario

Please be advised that at its Regular Council meeting held on Monday, September 29, 2025, the Council of the Township of Edwardsburgh Cardinal unanimously adopted the following resolution:

RESOLUTION: Ontario Community Infrastructure Fund (OCIF)

WHEREAS the Township of Edwardsburgh Cardinal acknowledges that municipal infrastructure—roads, bridges, water and wastewater systems—underpins public safety, economic vitality and quality of life in Ontario's rural and small urban communities;

WHEREAS the Ontario Community Infrastructure Fund (OCIF) was created in 2015 to assist small and rural municipalities facing infrastructure deficits that exceed their local revenue capacities;

EDWARDSBURGH CARDINAL

 E-mail: mail@twpec.ca

P.O. Box 129,
 18 Centre St.
 Spencerville, Ontario
 K0E 1X0

WHEREAS in 2022 the Government of Ontario committed to increase the annual OCIF envelope from \$100 million to \$400 million over a five-year term, with that commitment scheduled to expire at the end of fiscal 2026;

WHEREAS fixed funding levels amid rising labour, materials and climate resilience costs have eroded the purchasing power of the \$400 million envelope, jeopardizing municipalities' ability to deliver and sustain essential services without incurring unsustainable debt;

WHEREAS predictable, multi-year funding indexed to real-world cost drivers is critical for municipalities to develop, finance and execute long-term asset management plans, reduce emergency repairs and leverage complementary federal and private infrastructure financing;

WHEREAS the Township of Edwardsburgh Cardinal requires a steadfast provincial partner to extend and enhance OCIF beyond 2026, ensuring infrastructure resilience, fiscal sustainability and equitable access for all small and rural municipalities;

NOW THEREFORE BE IT RESOLVED THAT

1. The Township of Edwardsburgh Cardinal calls upon the Government of Ontario to extend the annual OCIF envelope at not less than \$400 million beyond its current five-year term ending in 2026, with no reductions in subsequent provincial budgets.
2. The Province be requested to index the total annual OCIF envelope—and each individual municipal allocation—to the Ontario Consumer Price Index (CPI), calculated on a calendar-year basis and disbursed in the first quarter of each fiscal year.
3. The Ministry of Infrastructure establish a new five-year OCIF funding framework that guarantees annual envelopes and allocation percentages by municipality, enabling long-term capital planning and stable cash-flow management.
4. The Province undertake a formal review of the OCIF allocation formula at least once every four years, incorporating current municipal asset management data, demographic projections, climate resilience metrics and rural equity considerations.
5. A dedicated contingency reserve equal to 5 percent of the annual OCIF envelope be created within the fund to address extraordinary cost escalations, emergency repairs or project overruns without reallocating core funding.

Allen Langdon
Chief Executive Officer
Circular Materials
700-1 St. Clair Ave. West
Toronto, ON M4V 1K6

alangdon@circularmaterials.ca

Dear Mr. Allen Langdon

RE: Township of King Resolution – Blue Box Transition

At its Council meeting of November 10, 2025, the Council of the Corporation of The Township of King received and adopted the following resolution:

Whereas King Township is committed to advancing waste diversion and circular economy principles, and public acceptance and participation are critical to the success of the Blue Box transition program; and

Whereas under *Ontario Regulation 391/21* in the *Resource Recovery and Circular Economy Act, 2016*, the Province is transitioning all municipal curbside recycling programs to a system fully provided through extended producer responsibility, being delivered by Circular Materials, with the official transition date of December 31, 2025; and

Whereas this represents a significant change to the Township's waste management program for King and the Northern Six York Region municipalities (N6); and

Whereas the collection container will change from the traditional blue box to a 360-litre wheeled recycling cart, to be delivered by GFL Environmental Inc. to each eligible residence prior to commencement of the program; and

Whereas alternate sizes to this 360-litre cart are not currently available; and

Whereas members of the public expressed concerns regarding the availability of only one standard-sized cart, specifically related to its size, storage requirements, maneuverability to the street, and its suitability for smaller households; and

Whereas residents living on private or unassumed roads within the N6 municipalities may face challenges maneuvering the 360-litre recycling carts to the nearest municipal roadway for collection; and

Whereas Industrial, Commercial, and Institutional (ICI) properties have been deemed ineligible for recycling collection under the new residential recycling program legislation; and

Whereas municipal staff have investigated and determined that a municipally administered recycling system for ICI locations would be more costly than ICI properties sourcing recycling services privately;

Now therefore be it resolved that:

1. Council request Circular Materials provide a smaller cart option in addition to the standard 360-litre wheeled recycling cart to maximize public acceptance and participation.
2. Council request Circular Materials to investigate and implement equitable solutions that would enable institutions - such as places of worship - to again become eligible and participate in the recycling program, ensuring this sector continues to have access to sustainable waste diversion services.
3. Council request that a copy of this resolution be forwarded to the Northern Six municipalities in York Region, the Ministry of the Environment, Conservation and Parks, Circular Materials, and GFL Environmental Inc.

Carried Unanimously.

Dear Prime Minister Carney and Premier Ford:

Re: Removing HST/GST from New Homes to Support Housing Affordability

At its meeting of October 21, 2025, the Council of the Town of Bradford West Gwillimbury adopted the enclosed motion calling on the Governments of Canada and Ontario to remove the federal and provincial portions of the HST from new homes purchased as primary residences.

This measure would extend the relief already provided for purpose-built rental housing to families seeking to buy their first home. It represents a practical, immediate step toward improving affordability and supporting new housing supply.

For an average new home in our community, the 13 percent HST adds tens of thousands of dollars to the purchase price, a burden that directly undermines our shared goal of making homeownership affordable for working families and seniors. Removing that tax would provide meaningful relief.

Bradford West Gwillimbury is one of Ontario's fastest-growing municipalities, investing heavily in growth-related infrastructure while working to keep housing within reach. We urge both levels of government to work together on this change as part of a broader strategy to make homeownership attainable again for young Canadians. Simply put, cutting taxes in this way will help make life more affordable.

We would welcome the opportunity to contribute to any federal-provincial review of housing-related taxation and policy tools that can help deliver more affordable homes.

Sincerely,

Mayor James Leduc

RESOLUTION # 321/2025

DATE: November 12, 2025

WHEREAS housing affordability is one of the most pressing issues facing Ontario families;

WHEREAS the federal government recently announced GST relief for first-time homebuyers on new homes, and the Province of Ontario removed the provincial share of HST on new purpose-built rental homes; and

WHEREAS the current HST rate on new homes in Ontario is 13%, which adds tens of thousands of dollars to the cost of a typical home; e.g. about \$117,000 on a \$900,000.00 home in Bradford before any existing rebates;

THEREFORE, BE IT RESOLVED that the Council of the Township of McGarry calls on the Government of Canada to remove the GST/HST from all new homes purchased as primary residences, and to work in partnership with the Government of Ontario to ensure full elimination of the provincial portion as well; and

BE IT FURTHER RESOLVED that this resolution be circulated to the Prime Minister of Canada, Minister of Finance and the Minister of Housing , Infrastructure and Communities; and to the Premier of Ontario, the Ontario Minister of Finance, the Ontario Minister of Municipal Affairs and Housing, our local MP and MPP the Association of Municipalities of Ontario, and to all municipalities in Ontario,

RESOLUTION # 317/2025

DATE: November 12, 2025

Whereas drowning is one of the leading causes of preventable deaths among children in Ontario and research by the Lifesaving Society of Ontario shows that most children who drown never intended to be in the water; and

Whereas evidence demonstrates that even basic swimming and water survival skills significantly reduce the risk of drowning; and

Whereas many children in Ontario do not have equitable access to swimming lessons outside of school due to financial, cultural or geographic barriers; and

Whereas the Ministry of education has the authority to incorporate water safety and survival training into the regular elementary school curriculum as a universal, life-saving skill comparable to fire safety and road safety instruction;

Therefore, be it resolved that the Council of the Corporation of the Township of McGarry respectfully urges the Government of Ontario, through the Ministry of Education, to incorporate mandatory water safety and Swim-to-Survive into the elementary school curriculum for all Ontario students; and

Be it further resolved that a copy of this resolution be forwarded to The Honorable Minister of education of Ontario, local Members of Provincial Parliament, the Association of Municipalities of Ontario and all Ontario municipalities, with a request for their endorsement.

RE: Elect Respect Pledge

Please be advised that at its Regular meeting on November 12, 2025, Council of the Township of Chapple passed the following resolution:

RES-173-2025

Moved by: Vaughan Wilson

Seconded by: Trish Neilson

Be it resolved that the correspondence from the Township of Southgate regarding the Elect Respect pledge; be received and supported as outlined below:

Whereas democracy is healthy when everyone is able to participate fully and safely and contribute to the well-being of their community; and

Whereas we are witnessing the dissolution of democratic discourse and respectful debate across all levels of government and in neighbouring jurisdictions; and

Whereas Ontario's municipally elected officials and municipal staff are dealing with increasingly hostile, unsafe work environments facing threats and harassment; and

Whereas social media platforms have exacerbated disrespectful dialogue, negative commentary, and toxic engagement which disincentivizes individuals, especially women and candidates from diverse backgrounds from running for office; and

Whereas better decisions are made when democracy is respectful and constructive and the voices of diverse genders, identities, ethnicities, races, sexual orientation, ages and abilities are heard and represented around municipal council tables; and

Whereas the Association of Municipalities of Ontario's Healthy Democracy Project has identified concerning trends with fewer people voting in local elections and running for municipal office; and

Whereas in 2024, female elected representatives from across Halton formed a group called H.E.R. (Halton Elected Representatives) which pledged to speak out against harassment and negativity in politics and called on elected officials to uphold the highest standards of conduct; and

Whereas H.E.R. Halton has launched a campaign called Elect Respect to promote the importance of healthy democracy and safe, inclusive, respectful work environments for all elected officials and municipal staff that encourages individuals to participate in the political process.

Now Therefore Be It Resolved That the Council of the Township of Chapple supports the Elect Respect pledge and commits to:

- Treat others with respect in all spaces—public, private, and online
- Reject and call out harassment, abuse, and personal attacks,
- Focus debate on ideas and policies, not personal attacks,
- Help build a supportive culture where people of all backgrounds feel safe to run for and hold office,
- Call on relevant authorities to ensure the protection of elected officials who face abuse or threats, and
- Model integrity and respect by holding one another to the highest standards of conduct; and

Be It Further Resolved That the Township of Chapple Council calls on elected officials, organizations and community members to support the Elect Respect campaign and sign the online pledge at www.electrespect.ca; and

Be It Further Resolved That a copy of this resolution be sent to the Association of Municipalities of Ontario, the Federation of Canadian Municipalities, MP Doug Shipley and MPP Hon. Doug Downey, the Ontario Provincial Police, and all Ontario Municipalities.

Dear Premier Ford,

Re: Curbside Recycling Eligibility for Non-Profit Organizations

At its regular meeting held on November 11th, 2025, the Council of the Township of Selwyn passed the following resolution:

Resolution No. 2025 – 223 – Curbside Recycling – Non Profits

Mayor Sherry Senis – Councillor Brian Henry –

Whereas the Province of Ontario designated producers to be responsible for collecting recycling in the Province; and

Whereas non-profit organizations, including our local food banks, have been deemed ineligible for producer blue box collection effective January 1st, 2026; and

Whereas food insecurity is a local, provincial and federal issue; and

Whereas food banks need to receive grocery items that are delivered in cardboard boxes and cartons which generate copious amounts of recyclable material; and

Whereas food banks are volunteer and donation based with no revenue collected to pay for services such as removal of recyclable materials;

Therefore be it resolved that the Council of the Township of Selwyn strongly urge the Province to re-instate the eligibility for curbside blue box collection as of January 1st, 2026, for non-profit organizations, such as food banks; and

That this motion be forwarded to Premier Doug Ford, Minister of the Environment, Conservation and Parks, MPP Dave Smith, County and City of Peterborough, Association of Municipalities of Ontario, Eastern Ontario Wardens' Caucus and Ontario Municipalities for support.

Carried.

Under the Province's producer-responsibility framework, food banks and similar non-profit organizations have been deemed ineligible for curbside blue box collection effective January 1, 2026. This change will place an unreasonable burden on these essential community services that rely entirely on volunteers and donations.

Food banks play a critical role in addressing food insecurity — an issue of local, provincial, and national importance. These organizations receive large quantities of grocery items packaged in cardboard and other recyclable materials, yet they have no sustainable means to manage the associated recycling costs once municipal collection ends.

The Township of Selwyn strongly urges the Province of Ontario to reinstate eligibility for curbside blue box collection for non-profit organizations, such as food banks.

Thank you for your attention to this matter.

Sincerely,

Megin Hunter

Dear Premier Ford,

Re: East Gwillimbury's Opposition to the *Protect Ontario by Unleashing Our Economy Act, 2025*.

For your information and records, at its meeting of Municipal Council held on October 21, 2025, the Council of the Town of East Gwillimbury enacted as follows:

WHEREAS on April 17, 2025, the Government of Ontario brought forth Bill 5: "Protect Ontario by Unleashing Our Economy", a broad omnibus legislation that introduces sweeping changes to multiple environmental and planning statutes, including the Environmental Assessment Act, Endangered Species Act, Ontario Heritage Act, and others; and

WHEREAS this legislation was passed through the legislature in 49 days, thus limiting opportunities to provide feedback; and

WHEREAS Bill 5 received Royal Assent on June 5, 2025; and

WHEREAS the "Protect Ontario by Unleashing Our Economy" Act, 2025 enables the creation of Special Economic Zones (SEZs), which allow the provincial cabinet to exempt projects from compliance with municipal bylaws, environmental protections, and Indigenous consultation obligations; and

WHEREAS lands under protection through various provisions, such as the Oak Ridges Moraine and the Greenbelt Protected Countryside, constitute 83% of the total EG area, which makes EG relevant in environmental stewardship for the Region and the Province; and

WHEREAS the Oak Ridges Moraine Conservation Plan and the Greenbelt Plan are foundational to protecting the ecological and hydrological integrity of the region, and the provisions in the Protect Ontario by Unleashing Our Economy Act, 2025 directly conflict with the objectives of these plans; and

Town of East Gwillimbury

19000 Leslie Street, Sharon, Ontario L0G 1V0 | 905-478-4282 | Fax: 905-478-2808
www.eastgwillimbury.ca

WHEREAS in alignment with the 2022 – 2024 Strategic Plan, EG Council declared a Climate Emergency in 2023 and approved the EG's Thinking Green Environmental Strategy in 2024, highlighting EG's commitments and efforts to preserve and restore the environment as EG grows; and

WHEREAS the Town of East Gwillimbury achieved 92% of its 2024 housing target, regardless of current environmental provisions, demonstrating that promoting sustainable growth is not only responsible but necessary;

THEREFORE BE IT RESOLVED THAT Council acknowledges the stated goals of economic growth and development in the Protect Ontario by Unleashing Our Economy Act, 2025, but expresses serious concerns with the Act as it interferes with local planning, limits public consultation, is inconsistent with the principles of free, prior and informed consent in consultation processes with Indigenous communities, and weakens protections to heritage and species, and formally opposes the Protect Ontario by Unleashing Our Economy Act, 2025 in its current form; and

THAT Council endorses the position of the Association of Municipalities of Ontario (AMO) in requesting that municipalities be included in the development of any regulatory frameworks related to Special Economic Zones; and

THAT Council directs staff to submit this resolution to:

- *The Honourable Doug Ford, Premier of Ontario*
- *The Honourable Rob Flack, Minister of Municipal Affairs and Housing*
- *The Honourable Todd McCarthy, Minister of the Environment, Conservation and Parks*
- *The Honourable Caroline Mulroney, Minister of Francophone Affairs, President of the Treasury Board, and MPP for York-Simcoe*
- *The Association of Municipalities of Ontario (AMO)*
- *All Ontario municipalities for their awareness and consideration*
- *The Rural Ontario Municipal Association (ROMA)*
- *Donna Big Canoe, Chief of the Chippewas of Georgina Island First Nation*
- *Abram Benedict, Ontario Regional Chief (ORC) for the Chiefs of Ontario; and*

THAT Council encourages residents to contact their MPPs to express concerns about the impacts of the Protect Ontario by Unleashing Our Economy Act, 2025, on local governance, environmental protection, and Indigenous rights..

If you have any further questions, feel free to contact the undersigned.

Enclosed: Resolution – Municipality of Tweed – Collaboration Action Sustainable Waste
Management in Ontario

October 24, 2025

The Honorable Doug Ford
Premier of Ontario
Legislative Building, Queen's Park
Toronto ON M7A 1A1

Sent by Email

Dear: Honorable Doug Ford,

RE: Municipality of Tweed – Collaborative Action on Sustainable Waste Management in Ontario.

The Council of the Corporation of Tay Valley Township at its meeting held on October 21st, 2025 adopted the following resolution:

RESOLUTION #C-2025-10-22

MOVED BY: Fred Dobbie
SECONDED BY: Marilyn Thomas

“WHEREAS, the Council of the Corporation of Tay Valley Township Support the Municipality of Tweed’s resolution regarding waste incineration and a more Robust Recycling Program;

AND WHEREAS, It is incumbent upon the members of council, MPP's and MPs to make the decisions that will result in the most positive outcomes for now and future generations;

AND WHEREAS, with large urban centres now looking in rural areas of our province and entire country for lands to bury their garbage waste;

AND WHEREAS, a large landfill site owned by a large urban centre which receives 50% of their garbage at the present time is expected to be full by 2029 creating more environmental impacts;

AND WHEREAS, continuing to bury garbage in the ground will result in our future generations having lost potable groundwater as a result of garbage leachate rendering it unusable;

AND WHEREAS, burying garbage, particularly organic waste in landfills, leads to the production of methane a greenhouse gas, which escapes into the atmosphere and contributes to climate change causing more environmental destruction;

AND WHEREAS, we continue to destroy our environment jeopardizing our future generations;

AND WHEREAS, we have worldwide technology that will allow us the use of clean incineration and also produce much needed electric energy;

AND WHEREAS, the incineration of household and other municipal waste has a long tradition in Germany, which currently has 156 municipal thermal waste incineration facilities with an aggregate annual capacity of around 25 million tons;

AND WHEREAS, with a strong focus on community involvement, innovative infrastructure, and sustainable practices, Germany has set a high bar for municipal recycling programs that the rest of the world can learn from and emulate;

AND WHEREAS, at the present time, Germany recycles 66.1% of its garbage waste at a municipal level. This places the country as the most effective and prominent country when it comes to recycling in the entire world. This highlights the citizen's strength and motivation to deal with environmental issues on a daily basis;

AND WHEREAS, German schools often integrate recycling education into their curriculum. This early exposure to the importance of recycling instills a sense of responsibility in the younger generation, creating a culture of sustainability that transcends generations;

BE IT RESOLVED THAT, the Council of Tay Valley Township support the Municipality of Tweed in investigating the possibility of working together with Ontario Municipalities, Provincial and Federal Governments and manufacturing partners to form a working group to ensure that waste disposal issues can be resolved quickly, efficiently and effectively with the use of incineration, more robust recycling programs and sustainable practices, so that future generations will not suffer from our environmental mismanagement;

AND THAT, this support be sent to Premier Ford, Marit Stiles, Leader of the Official Opposition Party, and all Ontario Municipalities."

ADOPTED

The Corporation of the Municipality of Wawa

REGULAR COUNCIL MEETING

RESOLUTION

Tuesday, October 21, 2025

Resolution # RC25170	Meeting Order: 8
Moved by: <i>L. K. Gots</i>	Seconded by: <i>M. Hayfield</i>

WHEREAS the Government of Ontario has introduced new regulations, effective January 1, 2025, requiring grocery stores with over 4,000 square feet of retail space to accept empty alcohol containers and return deposits as a condition of maintaining their liquor licenses; and

WHEREAS many large retailers have raised concerns about this obligation due to logistical challenges, including costs, space limitations, and insufficient infrastructure to manage high volumes of returned containers and local residents in Wawa are very upset that there will be no location in the community or area accepting empty alcohol containers; and

WHEREAS this change may negatively impact vulnerable populations, including low-income individuals who depend on bottle returns as a modest yet vital source of income and will increase the amount of waste being dumped at the municipal landfill; and

WHEREAS the ongoing privatization and deregulation of Ontario's previously effective bottle return program threaten to undermine decades of progress in sustainable waste management, environmental stewardship, and circular economy practices; and

WHEREAS the lack of a clear, accessible, and equitable alternative for recycling alcohol containers may place additional strain on municipal waste systems and contribute to increased environmental degradation;

Page 2...

The Corporation of the Municipality of Wawa

REGULAR COUNCIL MEETING

RESOLUTION

NOW THEREFORE BE IT RESOLVED that the Council of the Corporation of the Municipality of Wawa supports the development of an accessible, province-wide, and publicly accountable alcohol container return system that:

1. Protects low-income earners and vulnerable residents who rely on bottle returns;
2. Closes gaps in the deposit-return cycle to reduce landfill waste and environmental harm;
3. Provides adequate infrastructure, training, and support to retailers participating in the return system;
4. Ensures strong, consistent enforcement and oversight of return program compliance;
5. Safeguards the public interest in recycling and waste diversion amid increasing privatization pressures;

AND BE IT FURTHER RESOLVED that the Council urges the Government of Ontario to collaborate meaningfully with municipalities, retailers, environmental organizations, and experts to implement a fair, effective, and inclusive solution that ensures the long-term success of Ontario's deposit-return and recycling systems;

AND BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to the Premier of Ontario, the Minister of the Environment, Conservation and Parks, the Association of Municipalities of Ontario (AMO), the Federation of Northern Ontario Municipalities (FONOM), and all Ontario municipalities for their support and consideration.

REGULAR COUNCIL MEETING

RESOLUTION

Tuesday, July 15, 2025

Resolution # RC25121	Meeting Order: 8
Moved by: <i>Cathy Cannon</i>	Seconded by: <i>Joseph Opato</i>

WHEREAS The Beer Store has closed more than 70 of its store locations across the Province since the Ford Government made the decision to end its exclusivity agreement with The Beer Store and allowed other locations like convenience and grocery stores to sell beer, wine and mixed alcoholic drinks; and

WHEREAS many of the retail stores being closed are in small, northern communities such as Chapleau, Atikokan, Powassan and Blind River where The Beer Store is very important to the local community; and

WHEREAS the presence of The Beer Store in Northern Ontario communities and in Wawa, provides good paying jobs, convenient access to beer sales for tourists looking to purchase a variety of Canadian made beer products not carried in other locations and contributes to the local and provincial economy; and

WHEREAS The Beer Store closure in Wawa would lead to job losses in the community and negatively impact the local economy;

NOWHEREFORE Council of the Municipality of Wawa request that the Provincial Government take the steps necessary to preserve the presence of The Beer Store in small, rural and northern communities and that it request that The Beer Store reconsider its decision to close additional Beer Stores in Ontario, especially in small, northern communities.

AND FURTHER that a copy of this Resolution be forwarded to Premier Doug Ford, Honourable Peter Bethlenfalvy the Minister of Finance, Honourable Victor Fedeli the Minister of Economic Development, Job Creation and Trade, Bill Rosenberg the M.P.P. Algoma-Manitoulin, FONOM, NOMA, and AMO.

Corporate Office | 2258 Coleraine Drive
Bolton, ON L7E 3A9

Attention: Roy Benin

Dear Mr. Benin.

The closing of The Beer Store is the final nail in the coffin for those of us in the town of Wawa who are interested in our environment and recycling. I am not a consumer of alcohol, but since 1992, I have picked up the sad, abandoned packaging others have thrown out on the sides of our roads.

As a volunteer, I have cleaned our outdoors of trash by the truckloads and most of it was made up of beer and wine containers. Having a European background and knowing that even pop cans have a deposit of 10 cents on them there, it is with tears in my eyes that I see the loss of a place to turn in recyclables.

I fought the bureaucracy, wrote to companies and ministers about the abuse of our environment and the renewable resources until finally a deposit was established here in Ontario. The program encourages people to turn in their recyclables rather than putting them in the landfill and the pennies add up.

Here in the north, we live in an "untouched" wilderness and try to promote this for tourism, hunting, and fishing. Often, one of the first stops in town is The Beer Store. Why is this now closed when the nearest store is over 200 km away and there is now no place to accept the empties? Our grocery store had beer and wine when that program was first introduced, but has now cut back as they don't want to accept the recyclables. The one convenience store is also not set up for recyclables and doesn't carry the selection of products The Beer Store did.

So, while it is still possible to purchase a limited selection in our town, the loss of the recycling program affects us deeply. Many organizations, such as skating clubs, hockey teams, Boy Scouts/Girl Guides and even retirees profit from the deposit through bottle drives. These assist the community and keep our outdoors clean to benefit the environment as well. Cans and bottles do not disintegrate in the outdoors. To the contrary, broken glass hurts people and wildlife both. Why are we going backwards on this important recycling project? Why are we in the North forgotten.

We will be drowning in beer cans without a recycling program. What is the solution? Please find one as it is you and this government that have made these changes.

Sincerely,

Karin Grundt

United Counties of
Stormont, Dundas & Glengarry

RESOLUTION

MOVED BY Councillor Densham

RESOLUTION NO 2025- 159

SECONDED BY 

DATE November 17, 2025

WHEREAS the Conservation Authorities Act (1946) enables municipalities to establish local conservation authorities, and when municipalities choose to form such authorities, they assume responsibility for governance and funding through the appointment of a Board of Directors and the provision of an annual levy to cover expenses;

AND WHEREAS the municipalities within Stormont, Dundas and Glengarry (SDG) established South Nation Conservation (SNC) in 1947 and the Raisin Region Conservation Authority (RRCA) in 1963;

AND WHEREAS local municipalities currently provide between 25% and 50% of total conservation authority funding, while the Province of Ontario provides approximately 3%;

AND WHEREAS municipalities have governed their respective conservation authorities for decades, tailoring programs and services to local watershed needs, maintaining accountable service standards, and ensuring fair and predictable costs for ratepayers;

AND WHEREAS conservation authorities collectively own and manage thousands of acres of land, much of which was donated by local residents and entrusted to conservation authorities as a personal legacy for long-term protection, stewardship, and the public good, with the expectation that such lands would be cared for by locally governed conservation authorities;

AND WHEREAS Bill 68 (Schedule 3) proposes the creation of the Ontario Provincial Conservation Agency, a Crown corporation that would assume governance responsibilities and consolidate Ontario's 36 conservation authorities into seven regional authorities, with municipal cost apportionment yet to be defined;

AND WHEREAS the Province already possesses the authority to establish overarching legislation, regulations, and standards through the Conservation Authorities Act and the Ministry of the Environment, Conservation and Parks;

NOW THEREFORE BE IT RESOLVED THAT the Council of the United Counties of Stormont, Dundas and Glengarry calls on the Government of Ontario to maintain local, independent, municipally governed, watershed-based conservation authorities to ensure strong local

representation in decisions related to municipal levies, community-focused service delivery, and the protection and management of conservation lands;

AND FURTHER THAT while the United Counties of SDG supports provincial goals for consistent permit approval processes, shared services, and digital modernization, imposing a new top-down agency structure without strong local accountability and governance risks creating unnecessary cost, red tape, and bureaucracy, thereby undermining efficiency and responsiveness to local community needs;

AND FURTHER THAT the United Counties of SDG supports efforts to balance expertise, capacity, and program delivery across the province, and requests that the Province work collaboratively with municipalities and local conservation authorities to determine the most effective level of strategic consolidation to achieve both provincial and local objectives.

AND FURTHER THAT a copy of this resolution be sent to the Ontario Minister of Environment, Conservation, and Parks, to the local MP and MPPs, the Association of Municipalities of Ontario, the Rural Ontario Municipal Association, and all municipalities and Conservation Authorities in Ontario.

Honourable and Dear Sir,

Re: City of Brampton – Provincial Decision on Automated Speed Enforcement (ASE)

Please be advised the Municipal Council of the Town of Fort Erie at its meeting of November 17, 2025 received and supported the resolution from the City of Brampton dated October 17, 2025 regarding the Province's decision to abruptly cancel Automated Speed Enforcement.

Attached please find a copy of the City of Brampton correspondence dated October 17, 2025.

Thank you for your attention to this matter.

Sincerely,

Peter Todd,
 Manager, Legislative Services / Town Clerk

Re: Provincial Decision on Automated Speed Enforcement (ASE)

The following recommendation of the Committee of Council Meeting of October 1, 2025 was approved by Council on October 15, 2025, pursuant to Council Resolution C230-2025:

CW303-2025

Whereas the Province of Ontario filed enabling regulations in December 2019, to prescribe the locations, fines, and signage for municipalities to utilize Automated Speed Enforcement Cameras (ASE) as a tool to address speeding and improve public safety; and,

Whereas the Province's ASE legislative framework, together with provincial encouragement in 2019, has led municipalities such as Brampton - where auto-insurance rates remain among the highest in Ontario - to implement ASE technology to improve safety, reduce speeding, and prevent serious collisions and fatalities; and,

Whereas the Provincial government, through the Ministry of Transportation, is responsible for the legislation, regulations and program standards governing municipal ASE programs; and,

Whereas some cities have implemented ASE incorrectly, Brampton is part of the vast majority of municipalities who have implemented best practices endorsed by the Ministry of Transportation and the Ontario Traffic Council - including speed thresholds - that prioritize public safety, resulting in safer roads; and,

Whereas consistent with local, regional, national and international research by third parties including Sick Kids & Toronto Metropolitan University, the Canadian Automobile Association, the Ontario Association of Chiefs of Police, the Traffic Injury Research Foundation, and the Ontario Traffic Council; the City of Brampton's ASE program has resulted in significant reductions in speed, increased speed compliance in Community Safety and School Zones, and changes in driver behaviour as outlined in the September 10, 2025 Council report titled "Automated Speed Enforcement – Traffic Safety Update";

Whereas the average recorded speed for ticket issued is 15.7 km/h over the posted limit, demonstrating that Brampton's existing threshold is both reasonable and aligned with best practices; and

Whereas between twenty and thirty percent of ASE ticket revenue is collected by the Province of Ontario.

Whereas Brampton is working to improve road safety and uphold its commitment to Vision Zero, through its ASE program and complementary traffic-calming measures such as speedbumps/humps, roundabouts, road diets, and improved signage, in order to reduce speeds, prevent collisions, and promote lawful driving behaviour.

Whereas the City of Brampton has already implemented a significant number of speedbumps, likely the most in the province with 834 locations and anticipates installing an additional 33 individual locations this year, but because speedbumps cannot be deployed in all areas around schools, a comprehensive approach to traffic calming, including Automated Speed Enforcement, has proven effective in reducing vehicle speeds, changing driver behaviour, preventing fatal collisions, and enhancing public safety;

Whereas polling in Brampton demonstrates strong and consistent public support for ASE as a tool to reduce speeding, including: Mainstreet Research (Early September 2025) showing 65% overall support, and the City-led Telephone Townhall poll (July 2025) showing 86% of participants support for speed cameras near schools and parks to help curb speeding; and

Whereas despite clear evidence and proven results from cities like Brampton, municipalities were caught off guard by the Premier's sudden announcement to cancel ASE programs across the province, made without adequate notice and consultation;

Whereas a preliminary estimate of private sector investment by companies delivering ASE solutions indicates the creation of 62 jobs and \$14 million dollars of investment in the province; and

Whereas the Premier believes some municipalities have misused ASE; but that is no reason to shut down municipal ASE programs that have proven successful at changing driver behaviour and improving public safety; and

Whereas the Premier's concerns regarding ASE can be addressed through amendments to provincial legislation, regulations and program standards that enable municipalities to consistently utilize ASE, without an outright ban on the technology; and,

Whereas Brampton's ASE program is considered best-practice and rather than banning, the Premier should meet with Mayor Patrick Brown and other municipal leaders to develop improved provincial legislation, regulations and program standards related to the ASE program; and,

Whereas it is reckless to abandon what works, and essential to maintain a program that preserves public safety, and, especially, at a very minimum, safety in school locations; and,

Whereas should the ASE program be cancelled, the considerable municipal investments to implement this provincially shaped program must be reimbursed, and additional funding must be provided to implement alternate, although not necessarily as effective, traffic calming measures.

Therefore be it resolved:

1. That Brampton City Council formally opposes the Province's decision to abruptly cancel ASE, a public safety tool enabled through provincial regulations in December 2019; and,
2. That a letter from Council be sent to the Premier, the Minister of Transportation, and local MPPs outlining Brampton's position, calling for the continuation of ASE, and Brampton Council request that the Premier meet with Mayor Patrick Brown, and other municipal leaders to negotiate consistent implementation across municipalities that utilizes best practices to uphold the public safety benefits of ASE; and,
3. That the City of Brampton immediately implement the following ASE program enhancements to accommodate concerns and maintain the technology as an effective public safety tool:
 - a. Limit the use of ASE cameras to school locations
 - b. Maintain the existing threshold and implement variable threshold speeds:
 - Maintain existing speed threshold during peak hours around schools
 - Implement a higher speed threshold for non-peak hours to enforce excessive speeding & stunt driving
 - c. Develop and implement a process to limit the number of tickets that can be issued to a single license plate within a defined period of time, excluding excessive speeding or stunt driving
 - d. Prohibit the operation of an ASE camera for six months following a speed limit change
 - e. Require that surplus ASE revenues be reinvested in road safety-related infrastructure, initiatives, and education
 - f. Require that staff report annually to Council, through the budget process, on the allocation and use of surplus ASE revenues
 - g. Require that staff report annually to Council on outcomes of the ASE program (e.g., number of tickets, speed reductions, speed limit compliance, collisions, injuries/fatalities, etc.); and,

4. That the City of Brampton request the Provincial government to amend their legislation, regulations and program standards governing ASE as follows:
 - a. Restrict the use of ASE to School locations
 - b. Use of ASE in areas that do not contain schools must be approved by the Minister of Transportation, supported by data clearly demonstrating the need and a description of why alternative traffic calming measures are not suitable for the location.
 - c. Eliminate provincial fees and charges from ASE tickets, including:
 - MTO fee, currently \$8.25 per ticket, for providing registered license plate owner information
 - Victim surcharge fee ranging from \$10 to \$125 - or 25% of the fine for speeding offences greater than \$1,000
 - d. Develop a revised fee schedule for ASE tickets that reduces the cost for lower speed infractions while maintaining higher penalties for excessive speeding and stunt driving
 - e. Extend voluntary electronic notification (SMS and/or email) to license plate holders to reduce the notification period for ASE offences, similar to license plate renewal notifications
 - f. Develop new signage to include language indicating that the location is speed camera enforced
 - g. Develop more visible ASE signage that includes the speed limit
 - h. Require municipalities to reinvest surplus ASE revenue into road safety-related infrastructure, initiatives and education
 - i. Require greater transparency from municipalities by implementing the following reporting requirements:
 - Report annually to municipal Council on how surplus ASE funds are spent.
 - Require annual public reporting of program outcomes (e.g., number of tickets, speed reductions, speed limit compliance, collisions, injuries/fatalities, etc.).

- j. Establish program standards across all municipalities for key program elements - like speed thresholds - through a process led by the Ministry of Transportation and in consultation with municipalities to ensure consistency and transparency for all municipalities in Ontario.
 - k. That the Ministry of Transportation provide greater oversight and enforcement of Municipal ASE programs through regular audits; and
- 5. That, should the provincial government proceed with banning the use of ASE despite Brampton's immediate actions to address concerns and requests to work collaboratively with the Province and other municipalities to continue these programs, the Province must reimburse municipalities for all costs incurred to implement ASE program; and,
 - 6. Staff be directed to report back on potential impacts of an ASE ban on Brampton's road safety strategy and financial investments; and,
 - 7. That a copy of this resolution be sent to the Premier of Ontario, the Minister of Transportation, Brampton members of Provincial Parliament, local MPPs across the Region of Peel, all Ontario Municipalities, the Association of Municipalities of Ontario (AMO), the Ontario Association of Chiefs of Police (OACP), and the Ontario Traffic Council; and,
 - 8. That the City develop an advocacy campaign consistent with this motion.

Note: Item **RM 45/2025** has been added to the Referred Matters List for the report requested in clause 6 of the recommendation above, and assigned to Michael Kralt, Director, Automated Enforcement and Court Administration, Legislative Services.

Notice of Night Work

Yonge Street Improvements

Town of Newmarket and Town of East Gwillimbury

Night work is taking place as part of road widening and improvements on [Yonge Street from Davis Drive to Green Lane](#) in the Town of Newmarket and Town of East Gwillimbury.

Description

- Night work at the intersection of Yonge Street and London Road, Town of Newmarket
- Crews will be installing a new storm sewer

Dates

- **Sunday, November 23, 2025 to Sunday, November 30, 2025, during the hours of 9 p.m. and 6 a.m.**

Impacts to residents and travellers

- Lanes will be reduced while work is underway
- Access to driveways and entrances will be maintained
- Access will be maintained for emergency vehicles
- Property owners may experience noise from crews and equipment

Traffic lane shifts in place along the corridor to accommodate construction on the east side of the road.

Construction on Yonge Street – Phase 2 started in August 2025 and is expected to be complete in late 2027. Crews will be working nights and weekends as required to expedite the project.

As with [all construction projects](#), work may be rescheduled due to weather. York Region will provide advance notice whenever possible.

For information and updates, visit: york.ca/YongeStreet

If you have questions about this project, please contact:

- Mark Nykoluk, Senior Project Manager, at 1-877-464-9675 ext. 75938 or mark.nykoluk@york.ca
- Anthony Gagliardi, Construction Administrator, at 1-877-464-9675 ext. 78015 or anthony.gagliardi@york.ca

For general inquiries, please contact Transportation Operations at 1-877-464-9675 ext. 75000 or via email at transportation@york.ca

For after-hours emergencies, please contact York Region's Roads and Traffic Operations Centre at 1-877-464-9675 ext. 75200.

Please share this notice with your colleagues as appropriate.

Our working hours may be different. Please don't feel obliged to respond outside of your scheduled working hours. Let's work together to help foster healthy work-life boundaries.

Re: Solve the Crisis and Winter Homelessness Program Support

The following resolution was passed by Ajax Town Council at its meeting held on November 17, 2025:

Whereas, we are approaching the cold winter months and the number of people experiencing homelessness in Ajax and Durham Region continues to rise drastically, with more than 1,000 people on Durham Region's by-name list as of August, including specifically 200 people in Ajax seeking support to change their housing status¹; and

Whereas, in September 2024, Ajax Council passed a motion to support Ontario Big City Mayors (OBCM) SolveTheCrisis.ca² campaign requesting that the provincial and federal governments take immediate action to solve the homelessness and mental health crisis gripping our communities; and

Whereas, while the provincial government has provided support for new programs such as Homeless and Addiction Recovery Treatment Hubs (HART Hubs), it does not adequately address the growing crisis and the financial and social impact on municipalities and regions; and

Whereas, according to the Association of Municipalities of Ontario, municipalities are providing [51.5% of the total reported homelessness program funding across all three levels of government](#), making a significant financial impact on municipal budgets³; and

Whereas, OBCM recently passed a motion at their October Meeting re-iterating the need for provincial support in addressing this crisis by allocating more funding to programs that address chronic homelessness; and

Therefore, be it resolved:

1. That Ajax Council reconfirms their support of the Solve the Crisis Campaign and calls on Ajax residents to join us in appealing to the provincial and federal governments for support by visiting SolveTheCrisis.ca; and
2. That Ajax Council asks that the provincial government to take action on the requests of the Solve the Crisis Campaign that have not been fully addressed including:
 - a. Appoint a responsible ministry and Minister with the appropriate funding and powers as a single point of contact to address the full spectrum of housing needs as well as mental health, addictions and wrap around supports.
 - b. This single Minister must strike a task force with sector representatives including municipalities, health care leaders, first responders, community services, the business community, and the tourism industry to develop an Ontario Action Plan.
 - c. Provide municipalities with the tools and resources to transition those in encampments to more appropriate supports, when deemed necessary.
 - d. Commit to funding the services our unhoused population needs, community by community, to fill in gaps in the system.
 - e. Invest in 24/7 community hubs or crisis centres to relieve pressure on emergency departments and first responders; and
3. That Ajax Council asks that the provincial government prepares a 2025/2026 winter homelessness response plan to help municipalities ensure that we can keep our unsheltered residents who are sleeping outdoors with the services they need to keep them safe in colder weather; and
4. That a copy of this resolution be sent to Doug Ford, Premier of Ontario, Rob Cerjanec, MPP for Ajax, local MPPs across the Region of Durham, Durham Regional Council, all Ontario Municipalities, Ontario Big City Mayors (OBCM).

Re: Lake Simcoe Region Conversation Authority - Chloride in the Lake Simcoe Watershed

At its Regular Meeting of Council held on Tuesday, November 4, 2025, the Town of Bradford West Gwillimbury Council approved the following resolution:

Resolution 2025-352

Moved by: Councillor Ferragine

Seconded by: Councillor Scott

WHEREAS chloride concentrations measured in Lake Simcoe have steadily increased since the 1970's and, if unchecked, could exceed the Canadian Council of Ministers of the Environment Chronic Guideline by approximately 2069; and

WHEREAS chloride concentrations in urban tributaries are routinely above that Chronic Guideline, occasionally above the Acute Guideline and have recently exceeded the concentration of ocean water in one urban tributary, and continue to increase everywhere due to the use of winter salt on roads and parking lots; and

WHEREAS these concentrations are lethal to some species of fish and benthic invertebrates, and decreasing the amount of winter salt use throughout the watershed is critical to the near-term health of urban tributaries and long-term health of Lake Simcoe; and

WHEREAS a barrier to the reduction of salt application for parking lots and walkways is the scarcity of trained and certified winter maintenance contractors; and

WHEREAS a more substantial barrier to the reduction of salt application for parking lots and walkways is concern over liability; and

WHEREAS businesses in the winter maintenance sector are seeing insurance and legal costs escalate to the point where many have failed, and some property owners have been unable to find winter maintenance contractors; and

WHEREAS the limited liability framework in practice in New Hampshire is based on the Canadian Smart About Salt guidelines and has been successfully defended in the higher courts.

NOW THEREFORE BE IT RESOLVED THAT The Corporation of the Town of Bradford West Gwillimbury Council supports this initiative and the Lake Simcoe Region Conservation

Authority Board of Directors requesting that the Attorney General of Ontario and the Minister of the Environment, Conservation and Parks establish and fund an expert stakeholder advisory committee to advise the Province and municipalities on the best courses of action to protect freshwater ecosystems and drinking water from the impacts of salt pollution; and

FURTHER That the Board of Directors requests that technical standards and a Provincial regulatory framework be established that limits liability for winter maintenance contractors following best practices to ensure public safety, business sustainability, and environmental protection; and

FURTHER That municipalities in the Lake Simcoe watershed lead by example by ensuring staff and/or winter maintenance contractors that maintain municipal parking lots obtain certification through the Smart About Salt program as a condition of working for the municipality; and

FURTHER That this resolution be circulated to Lake Simcoe watershed municipalities and Lake Simcoe watershed members of Provincial Parliament; and

FURTHER That municipalities in the Lake Simcoe watershed implement best management practices for municipal roads management; and

FURTHER That municipalities in the Lake Simcoe watershed collaborate with the Lake Simcoe Region Conservation Authority on an outreach campaign to raise awareness of this issue, manage expectations from the public regarding salt usage, and inspire positive action.

CARRIED

Thank you for your consideration of this request.

Regards,

Tara Reynolds
Clerk, Town of Bradford West Gwillimbury

Dear Lesley Bouza:

RE: Lighting Request – November 28, 2025 – Osteoporosis Month

I am writing to advise that your proclamation request has been approved in accordance with the Council-approved [Proclamation, Lighting Request and Community Flag Raising Policy](#), and the Town of Newmarket will illuminate the Fred A. Lundy Bridge located on Water Street in purple on November 28, 2025 to recognize Osteoporosis Month. Please note that the lighting will occur from sunset until 11:00 PM.

Approved proclamations, lighting requests, and community flag raisings will be listed on the Town's website. Approved lighting and community flag raisings will also be communicated to the public through the Town's social media.

If you have any questions regarding the above, please feel free to contact the undersigned.

Yours sincerely,

Simon Granat

Legislative Coordinator
