## CITY OF VAUGHAN

**EXTRACT FROM COUNCIL MEETING MINUTES OF SEPTEMBER 27, 2021**

Item 32, Report No.39, of the Committee of the Whole, which was adopted without amendment by the Council of the City of Vaughan on September 27, 2021.

**32. ENDORSING NATIONAL TEEN DRIVER SAFETY WEEK AND REQUESTING THE MINISTRY OF TRANSPORTATION TO REVIEW MEASURES IMPACTING NEWLY LICENSED DRIVERS**

**The Committee of the Whole recommends approval of the recommendations contained in the resolution of Councillor Yeung Racco and Regional Councillor Rosati dated September 14, 2021.**

**Member's Resolution**

**Submitted by Councillor Yeung Racco and Regional Councillor Rosati**

**Whereas**, City of Vaughan Council is concerned about the continued occurrence of serious motor vehicle collisions involving newly licensed drivers and drivers under the age of 18; and

**Whereas**, a shocking and tragic collision involving a 16-year old driver occurred on May 16th, 2021 on Athabasca Avenue in the City of Vaughan, resulting in the fatality of two young children; and

**Whereas**, City of Vaughan Council deferred the Resolution titled "Raising the Legal Age for a Licensed Driver from 16 to 18" on June 1, 2021 to a September Committee of the Whole meeting for further review and research; and

**Whereas**, the Province of Ontario has legislative authority over driver licensing, highways, automobile insurance, and the enforcement and prosecution of the federal criminal law; and

**Whereas**, the Ontario Ministry of Transportation administers the Highway Traffic Act, R.S.O. 1990, c. H.8; and

**Whereas**, the Ontario Ministry of Transportation published the "Ontario Road Safety Annual Report 2018", being the most recent report issued, containing statistics that demonstrate that the percentage of young, licensed drivers, ages 17 to 20, that were involved in vehicle collisions is higher than any other age group; and

**Whereas**, York Region published "2020 Traveller Safety Report" which provided that, based on collision data from the York Regional Police motor vehicle accident reports, drivers below the age of 25 have a higher at-fault collision rate and higher fatality rate in collisions than any other age group; and

**CITY OF VAUGHAN****EXTRACT FROM COUNCIL MEETING MINUTES OF SEPTEMBER 27, 2021**Item 32, CW Report 39 – Page 2

**Whereas**, the Canadian Council of Motor Transport Administrators published “Canada’s Road Safety Strategy 2025” and identifies drivers that are either under the age of 25 or have less than two years of driving experience as a ‘risk group’ based on several contributing factors, some including distracted driving, impaired driving, speeding, passive safety, and road infrastructure; and

**Whereas**, City of Vaughan Council wishes to see change effected to Ontario’s driving laws under the Highway Traffic Act, R.S.O. 1990, c. H.8, with respect to newly licensed drivers; and

**Whereas**, Parachute, a Canadian charity, has launched a national awareness campaign to help educate Canadians on road safety and increase awareness on preventing serious and fatal injuries caused by motor vehicle accidents; and

**Whereas**, National Teen Driver Safety Week, hosted by Parachute and supported by many other Canadian jurisdictions, is a week dedicated to educating the youth about road safety and raise awareness of risks associated with driving to help prevent youth fatalities on the road across Canada.

**It is therefore recommended:**

1. That City of Vaughan Council request for the Ministry of Transportation of Ontario to undertake a review of the Highway Traffic Act, R.S.O. 1990, c. H.8 with respect to measures impacting newly licensed drivers, such as implementing additional training and penalty provisions, to achieve greater education, and awareness of road safety and increase accountability and responsibility of new and young drivers through the legislative framework; and
2. That City of Vaughan Council unanimously endorse National Teen Driver Safety Week, to be held October 17 to 23, 2021; and
3. That the City Clerk forward a copy of this resolution to the Premier, the Minister of Transportation, the Minister of Municipal Affairs and Housing, all municipalities in Ontario, the York Regional Police, the Ontario Safety League, the Ontario Association of Chiefs of Police, and Parachute.

Dear Minister,

**RE: Township of King Resolution - Holland Marsh Treatment Facility  
Request the Province of Ontario work to move the Holland Marsh Treatment  
Facility forward notwithstanding the "paused" status of the broader UYSS project,  
including proceeding to an Environmental Assessment for the Facility  
commencing in 2021**

---

At its Council meeting of October 18, 2021, Council of the Township of King received and unanimously supported a Resolution put forward with respect to King's position on the Holland Marsh Treatment Facility as follows:

**“WHEREAS** the Holland Marsh Treatment Facility (the ‘Facility’) is a proposed project by the Regional Municipality of York (‘York Region’) as a potential component of the UYSS Environmental Assessment (EA) and project, and

**WHEREAS** the Facility would potentially serve as an alternative to the stormwater retrofits proposed in the UYSS EA and achieve a higher level of phosphorus removal in the watershed, improving the already beneficial project; and

**WHEREAS** the Facility will remove significantly more phosphorous in the Holland River than the stormwater retrofits proposed in the UYSS EA and thereby protect the Lake's watershed from algae growth, resulting in better protection for the watershed's aquatic habitats, increased ecosystem biodiversity and protection of drinking water sources; and

**WHEREAS** the Federal Government has announced funding of up to \$16 million for the Facility and York Region's funding of up to \$25 million as part of UYSS project; and

**WHEREAS** further to the June announcement and introduction of the *York Region Wastewater Act* by the Ontario Minister of the Environment, Conservation and Parks, which, if passed, "would put on hold" the Environmental Assessment application for the UYSS project;

**THEREFORE, LET IT BE IT RESOLVED THAT;**

1. The Township of King requests the Province of Ontario work to move the Holland Marsh Treatment Facility forward notwithstanding the "paused" status of the broader UYSS project, including proceeding to an Environmental Assessment for the Facility commencing in 2021; and
2. Further to the above, requests the Province of Ontario support the funding of the Holland Marsh Treatment Facility's construction; and
3. That staff be requested to circulate this resolution to the Federal Minister of Infrastructure and Communities; the Provincial Minister of the Environment, Conservation and Parks; All Lake Simcoe Region Municipalities, local MPPs and MPs; the Regional Municipality of York, and the Lake Simcoe Region Conservation Authority (LSRCA)".

Motion Carried Unanimously.

Yours truly,

## The Corporation of the Township of North Frontenac

**By-law #59-21****Being a By-law of the Corporation of the Township of North Frontenac to authorize the use of Alternative Voting methods for the 2022 Municipal Election**

**Whereas** Section 42(1) (b) of the Municipal Elections Act, S.O. 1996, c. 32, as amended provides that a municipal council may pass a by-law authorizing electors to use an alternative voting method that does not require electors to attend at a voting place in order to vote;

**And Whereas** Section 42(2) of the Municipal Elections Act, S.O. 1996, c. 32, as amended requires a By-law under Section 42(1) be passed by May 1, 2022 to be effective for the municipal election to be held in 2022;

**Now Therefore** the Council for the Corporation of the Township of North Frontenac enacts as follows:

- Internet/Telephone Voting is authorized to be used as an alternative voting method for the municipal election to be held in 2022.

**Read** a first and second time this 22<sup>nd</sup> day of October, 2021

**Read** a third time and passed this 22<sup>nd</sup> day of October, 2021

To Whom it May Concern:

Please be advised that the Council of The Corporation of the Municipality of Leamington, at its meeting held Tuesday, October 12, 2021 enacted the following resolution:

**No. C-303-21**

Whereas routine eye care is critical in early detection of eye diseases like glaucoma, cataracts, and macular degeneration, and the health of eyes is critical to overall health and quality of life; and

Whereas conditions that may be detected with an annual eye exam include Diabetes mellitus, Glaucoma, Cataract, Retinal disease, Amblyopia (lazy eye), Visual field defects (loss of part of the usual field of vision), Corneal disease, Strabismus (crosses eyes), Recurrent uveitis (an inflammation of the uvea, the middle layer of the eye that consists of the iris, ciliary body and choroid), Optic pathway disease; and

Whereas payments from OHIP have only increased 9% over the last 30 years, which has not come close to matching inflation of costs (which include rent, staff, utilities, equipment, taxes and supplies); and

Whereas the lack of funding makes it difficult to invest in modern technology, and newer technology means earlier detection of eye disease; and

Whereas the Provincial government's refusal to formally negotiate with Optometrists for more than 30 years has forced the Optometrists to absorb approximately 173 Million dollars annually in the cost to deliver eye care to Ontarians; and

Whereas the 2021 Ontario Budget did not address OHIP-insured eye care, Ontario Optometrists took action and voted to withdraw OHIP services starting September 1, 2021, unless the government agrees to legally-binding negotiations to fund these services at least to the cost of delivery; and

Whereas this job action will jeopardize good eyecare for those who need the care of an optometrist the most and will have the greatest impact on the most vulnerable groups.

Children, who's lifetime ability to learn and develop depends on good vision and to the elderly, who are at the greatest risk for vision-threatening ocular diseases;

Now Therefore, be it resolved that the Municipality of Chatham-Kent requests that the Provincial government recognize the value that access to quality eye care brings to all Ontarians and act now to protect it; and further

That the Provincial government address the OHIP-insured eye care immediately and enter into legally-binding negotiations with Ontario Optometrists to fund these services at least to the cost of delivery, prior to any job action taking place; and further

That a copy of this resolution be forwarded to Premier Ford, Ontario Minister of Health Christine Elliot, to the Ontario Association of Optometrists, and to all municipalities in Ontario.”

Dated today, the 22<sup>nd</sup> day of October, 2021.
