Information/register: bit.ly/npladwoa or call 905-953-5110 ext. 4690

PUBLIC NOTICES

PLACE WASTE AND RECYCLING BINS AT THE CURB

Reminder to place waste and recycling bins at the curb and not on the sidewalk or on top of snow bank by 7 a.m. to ensure pick-up by our waste contractor GFL. Bins left on top of snow banks will not be collected.

TAKE CAUTION AROUND LAKES, STREAMS, RIVERS AND STORMWATER PONDS

Take caution around local bodies of water such as Fairy Lake, the Holland River and storm water ponds. Use extreme caution and advise your children not to skate, fish, swim or toboggan in these areas. Stormwater ponds may look safe but water flow and levels can fluctuate quickly without warning. Please do not skate on stormwater ponds.

BUSINESSES WE WANT TO HEAR FROM YOU ABOUT SINGLE USE PLASTICS

We've partnered with York Region and Richmond Hill are working together to implement a business engagement program that will support businesses that wish to reduce their use of single-use items in preparation for the upcoming federal ban. We want to hear from businesses that may be impacted to complete a brief survey.

Learn more and complete the survey at heynewmarket.ca/reduce-single-use-items

WASTE AND RECYCLING PICK-UP DELAYS

Residents may experience delays for their waste and recycling pick-up. If your items haven't been picked-up by 8 p.m. on your regular pick-up day, please take the items inside for the night and place them at the curb the next day at 7 a.m. GFL will return the next day to pick-up the items. We apologize for the inconvenience and thank you for your patience.

Stay up to date with your collection status at: gflenv.com/municipal-collection

BE A GOOD NEIGHBOUR. PICK-UP AFTER YOUR PET

Pet owners are reminded to bring waste bags to pick-up after your pet and dispose of the waste in waste receptacles. Picking up after your pet will also help to prevent encounters with coyotes. Waste bags are available along the trail as well. Help keep our trails enjoyable for all.

MANDATORY MASKS REQUIREMENTS LIFTED AT FACILITIES

As of March 21, masks are no longer required to enter a Newmarket facility in accordance with the Provincial mandates. While masks and face coverings are no longer mandated by Public Health, the Town recognizes the importance of personal choice and encourages those who feel more comfortable wearing a mask in public settings to continue to do so. Residents continue to be encouraged to conduct a self-health assessment prior to visiting. Those with COVID-19 symptoms are asked to stay home until symptoms have subsided.

Information: newmarket.ca/covid19

FIRE SAFETY TIP: NEVER LEAVE COOKING UNATTENDED

Distracted cooking is the leading cause of housefires. Keep these tips in mind to prevent fires and accidents:

- Never leave cooking unattended
- Keep pot handles turned inward
- Never pour water onto a grease fire
- Make sure electrical cords are in good working condition and secured over the countertop. Never overload electrical circuits
