PUBLIC NOTICES

SUSPECTED CASES OF AVIAN FLU FOUND IN GEESE LOCALLY

Municipalities across the country, including here in Newmarket are seeing a rise in suspected cases of avian flu, particularly in geese.

Follow these tips to keep you and your pet safe:

- Consider removing backyard feeders and or bird baths.
- Keep cats indoors and dogs on a leash. This will reduce the chance of your pet encountering an infected bird.
- Do not touch or feed wildlife or try to rescue birds in distress.

If you find wildlife that is sick, injured or in distress, report it to the Town's Animal Services by calling 905-895-5193 (press 3 if after hours) or by email at info@newmarket.ca

Information: newmarket.ca/animalservices

HAVE YOU LICENSED YOUR PET?

Pets are family so it's important that we do everything we can to keep them safe. That's why pet licensing is so important!

When lost pets end up in shelters, those with licence tags get home faster. In Newmarket, all dogs, and cats over the age of 16 weeks must have a license. Once you license your pet, you can:

- Add information to your pet's profile
- Edit key information if it changes
- Upload a photo of your pet
- Report if your pet is lost

Register: newmarket.ca/animalservices

LANE CLOSURE: SOUTHSIDE OF QUEEN ST. BETWEEN MAIN ST. AND PROSPECT ST

To accommodate the Queen Street Bridge Replacement Project, from now until mid-May, the southside of Queen Street between Main Street and Prospect Street will be closed for eastbound traffic (detour routes available). The northerly lane will remain open for westbound traffic. Please expect delays and avoid the area if possible.

Information: heynewmarket.ca/queenbridge
