The report must be done in accordance with generally accepted auditing standards and must:

- set out the scope of the examination
- provide an opinion as to the completeness and accuracy of the financial statement and whether it is free of material misstatement

 Report is attached

Personal information, if any, collected on this form is obtained under the authority of sections 78 and 95 of the *Municipal Elections Act, 1996*. Under section 88 of the *Municipal Elections Act, 1996* (and despite anything in the *Municipal Freedom of Information and Protection of Privacy Act*) documents and materials filed with or prepared by the clerk or any other election official under the *Municipal Elections Act, 1996* are public records and, until their destruction, may be inspected by any person at the clerk's office at a time when the office is open. Campaign financial statements shall also be made available by the clerk in an electronic format free of charge upon request.

AUDITOR'S REPORT

MUNICIPAL ELECTIONS ACT, 1996 (SECTION 78)

To: Andrew Brouwer, clerk Town of Newmarket

I have audited the Statement of Campaign Income and Expenses, and the Calculation of Surplus or Deficit for Anthony (Tony) Van Bynen, candidate, for the campaign period January 6, 2014 to December 31, 2014 relating to the election held on October 27, 2014. These financial statements are the responsibility of Anthony (Tony) Van Bynen, candidate. My responsibility is to express an opinion on these financial statements based on my audit.

Except as explained in the following paragraph, I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Anthony (Tony) Van Bynen, candidate, as well as evaluating the overall financial statement presentation.

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, and receipts and disbursements. Accordingly, my verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of Anthony (Tony) Van Bynen, candidate, in accordance with the accounting procedures established by the **Municipal Elections Act, 1996** and I was not able to determine whether any adjustments might be necessary to income and expenses, assets or liabilities, and surplus/deficit.

In my opinion, except for the effect of adjustments, if any, which I might have determined to be necessary had I been able to satisfy myself as to the completeness of the records as described in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the candidate's election campaign as at December 31, 2014 and the income and expenses for the campaign period from January 6, 2014 to December 31, 2014 and the determination of surplus or deficit and the disposition of surplus in accordance with the accounting treatment prescribed by the **Municipal Elections Act, 1996**.

The **Municipal Elections Act, 1996** does not require me to report, nor was it practicable for me to determine, that contributions reported include only those which may be properly retained in accordance with the provisions of the **Municipal Elections Act, 1996**.
